Optional Compatible Products License Logo Addendum V 1.0

Purpose: This Addendum authorizes an “**Optional Licensed Product Logo**” that may be used in accordance with this addendum which does not supersede or replace any part of the most current version of the “**APOcalypse 2500 Role Playing Game Compatible Products License,**” (available at www.painbrain.com/apoc2500/complic.html) Here after know as “**The License**” This **Optional Licensed Product Logo** is designed solely as a means to allow Licensed Product producers to further brand their products as compatible with APOcalypse 2500 on the front cover or front of Packaging and will serve no other purpose.

1. Grant of License: Pursuant to and in cooperation with all the restrictions, requirements, clauses, phrases, and terms of the most current version of **The License** the **Optional Licensed Product Logo** pictured below without alteration may be affixed to Licensed Products that meet the requirements of the most current version of **The License** according to the stipulations of section 2, and (a) the **Optional Licensed Product Logo** may only be used by parties who have agreed in writing to be bound by to the most current version of **The License** and who have not voluntarily terminated, or have received notice of termination of, or are knowingly in violation of **The License**.

2. Usage: The **Optional Licensed Product Logo** may be affixed to the front cover of books, the title page of electronic downloads, or the outside packaging of boxed products on what is considered to be the “front” of the container as follows; (a) in the lower left hand corner in a size not less than 3.33 inches wide by 1.67 inches tall rendered in at least 300dpi in print (72dpi electronic) quality that preserves the original colors of source files available for download at www.painbrain.com/apoc2500/complic.html; (b) on packaging or electronic renderings that are smaller than 8.5 by 11 inches in a size no less than 1/6th of the total cover or packaging artwork design area; (c) The **Optional Licensed Product Logo** may not be used in advertising or on any product that does not also contain the **Licensed Product Logo** as described in the most current version of **The License**, (d) nor may the **Optional Licensed Product Logo** be used on websites or in any electronic advertising, blogs, chat room posts, Social networks, or in any way transmitted or posted on the web (internet, intranet, or network servers) except as an incorporated part of an image of a Licensed Product cover which accurately depicts an actual Licensed Product offered for sale pursuant to the most current version of **The License** (e) The **Optional Licensed Product Logo** is NOT designed to replace the **Licensed Product Logo** as described in the most current version of **The License** nor may it be used in such a way as to replace, obscure, cover, overshadow, or otherwise supersede said **Licensed Product Logo**.

3. Supersession: Usage of the **Optional Licensed Product Logo** is bound by all paragraphs, sections, clauses, phrases, and terms of **The License** including those that directly contradict section 2 herein or specifically pertain to size and placement of Licensed Product Logos where the placement and usage of the **Licensed Product Logo** as defined in **The License** shall supersede and replace the **Optional Licensed Product Logo** in all cases. End. Page
